Pleasant Valley High School Musical Drama Club to Present Schoolhouse Rock, Live!

The Pleasant Valley High School Musical Drama Club is pleased to announce this year's spring production of Schoolhouse Rock, Live! on **March 21st and 22nd at 7:00 p.m. and March 23rd at 2:00 p.m.** in the High School auditorium.

This musical, based on the educational cartoons from the 1970s and 1980s, is directed by Dan and Marcie Mulligan with production assistance by Donna Morris.

Schoolhouse Rock started as a series of animated cartoons written to help students struggling with math, science, reading and other school subjects. It includes music from local jazz artist Bob Dorough, who penned memorable songs such as "3 Is a Magic Number", "Conjunction Junction", "Lolly, Lolly, Lolly" and "Zero My Hero". The musical, Schoolhouse Rock, Live! was written by George Keating, Scott Ferguson, and Kylie Hall and opened in Chicago in 1993, and then the musical enjoyed a few off-Broadway and National Tour productions. The show centers around an elementary school teacher, Tom (Owen Gordon), who is nervous about his first day of school. Using songs from the original animated series, Tom is encouraged by various alter egos who affirm him as a good teacher and equip him with songs to make teaching fun and more meaningful. These alter egos include Jeneria Williams, Sarah Larregui, Khloe Gutai, Alayna Boland, Isaac Mitchell, Sam Lowell, Brooke Burke, Steven Roberti and Arlo Calhoun. Rounding out the cast is a strong ensemble including Jaime Rodriguez, Rachel Costello, Sophia Dobson, Shelby O'Neill, Zuzanna Romanczyk, Kailey Grave de Peralta, Olivia Joseph-Lesniewski, Cindy Page, Kiera Jeffreys, Kylie Hendrix, Emerie Gonzalez, Leo Philipps, Dylan Carroll, and Chelsea Buleje.

Tickets can be purchased at the door. All seating is general admission and can be purchased in advance by emailing Donna Morris at morris.donna@pvbears.org.

lakes open to public angling. Stocking began in February in advance of the statewide Mentored Youth Trout Day on **Saturday, March 29**, and the statewide opening day of trout season on **Saturday, April 5**.

The 2025 adult trout stocking schedule is searchable by county; lists the waterways in alphabetical order; and indicates stocking dates, meeting locations for volunteers and the species of trout that will be stocked at each location.

Notre Dame High School East Stroudsburg Presents the Timeless Musical "Godspell"

Notre Dame High School East Stroudsburg is thrilled to announce the upcoming musical production of Godspell, that brings the teachings of Jesus to life through music, movement, and energy in this 2012 revised version. The show will be performed at Notre Dame East Stroudsburg's state-of-the-art High School theater on **March 28th, 29th, and 30th, 2025, with performances at 7:00PM Friday and Saturday, and 3:00PM on Sunday.**

Directed by Tim Naughton, choreographed by Naomi Naughton under the musical direction of Cathy Tynemouth, Godspell is a vibrant retelling of the Gospel of Matthew. Featuring a dynamic score by Stephen Schwartz, the production combines a variety of musical styles with an infectious, heartwarming story of faith, friendship, and redemption. The cast of talented Notre Dame High School students will bring this powerful story to life with unforgettable performances, humor, and inspiring music. "Godspell is about love and the idea that love conquers all. Each time I mention we are doing Godspell, every response has been 'Oh, I love Godspell'," says Director Naughton. "But the students hardly knew the piece when we started, so it has been amazing to watch them lend their talents to making the show come to life."

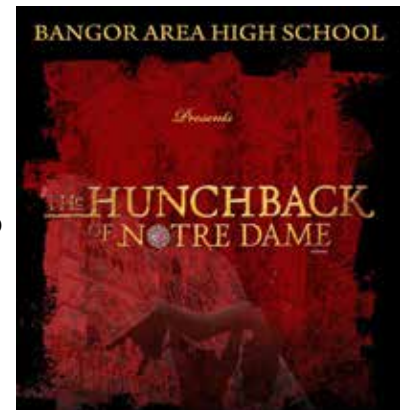

Tickets are available for purchase at the door with cash. Notre Dame High School is located at 60 Spangenburg Avenue, East Stroudsburg. For information call 570-421-0466.

Minsi Lake Corridor Conservation Efforts: Temporary Closure of Institute Drive to Protect Amphibians Crossing

Motorists can expect part of Institute Drive to be closed in the Totts Gap Conservation Area for the next several weeks to protect breeding amphibians. The closure will extend from Totts Gap Road west on Institute Drive for about one-half mile to allow for amphibian migrations to breeding pools without the risk of being crushed by vehicle tires.

In partnership with Upper Mount Bethel Township, Northampton County Parks & Recreation is taking steps to protect migrating amphibians by closing the eastern half of Institute Drive through the County's Totts Gap Conservation Area **from March 14th through April 25th.**

The trigger for the crossing will be a forecast calling for evening rain with mild temperatures, generally above 40 degrees Fahrenheit. Since amphibians (frogs, toads, and salamanders) are primarily active at night, you can observe their migration from dusk until dawn as long as conditions remain favorable. "Recommendations from the County's Minsi Lake Corridor Greenway & Stewardship plan highlight the need for protection of critical landscapes. This temporary closure is a major step in the on-going efforts to provide sustainable conservation practices", said Bryan Cope, Superintendent of Parks & Recreation with Northampton County.

The woodlands on either side of Institute Drive are home to the largest concentration of natural seasonal pools and associated species of amphibians anywhere in the Commonwealth of Pennsylvania. Some of these species are listed as threatened and endangered by the PA Fish & Boat Commission, which oversees the Commonwealth's fish, reptiles, and amphibians.

Get Ready for REAL ID

The deadline for enforcement of the federal REAL ID Act is fast approaching. As of **May 7, 2025** you will have to present a federally accepted form of identification to board a commercial domestic flight or visit a secure federal building that requires ID at the door.

Federally accepted forms of identification include a Pennsylvania REAL ID driver's license or ID card, a U.S. passport or passport card, or a military ID.

While all Pennsylvanians must comply with the new law, obtaining a state-issued REAL ID is not mandatory. PennDOT will continue to offer standard-issue driver's licenses and photo IDs.

To learn more about REAL ID and how to obtain one, visit www.penndot.gov/REALID.

The Eyes of Spring
by Robert L. Martin

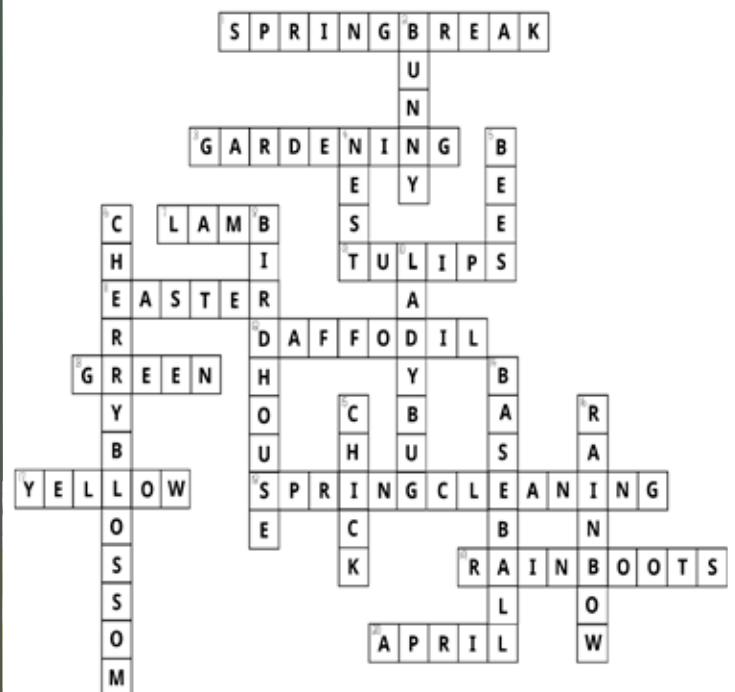

The eyes of Spring look out at me so cold,
shivering from the pangs of Winter's hold,
at me bundled up in my warmest coat
as I walk outside while I ponder and mope.

My thoughts are centered around the Spring
when the flowers come alive and the song birds sing,
when I can walk through the greenest meadows
for me being one of the most happy fellows.
